

Community Time Machine

A neighbourhood archive of stories and creativity

What is the Community Time Machine Project?

This project was developed to connect different generations of people living in a community. It's a fun opportunity for you to learn more about the history of where you live and help to build a digital time capsule of stories from the past- simply by having a lovely chat with someone!

The Community Time Machine project is also a great chance to get creative by taking on a creative challenge and making something inspired by your interview.

Your interview, creative response and selfie will be included in a unique online gallery and included in a community time capsule. Check out the Time Machine website: <https://timemachine.neighbourhoodnetwork.ie/>

It's a brilliant project to get involved with, we hope you'll join in!

What is Neighbourhood Network?

Neighbourhood Network is a community building organisation that supports neighbours to connect and to work together. We encourage communities to reach out to those who still may be isolating, and strengthen their community ties through fun and friendly socially distant activities.

Joining in with your local Neighbourhood Network events and projects is a chance to bring more life to the streets, make more friends closer to home and celebrate the community around us!

To get involved visit timemachine.neighbourhoodnetwork.ie

Community Time Machine

Your guide to taking part!

Your Role

- You will pair up with a senior person in your community to have a chat and write their answers on an interview sheet. Why not ask your neighbour or a grandparent?
- Once you've done your interview, we want you to get creative! We encourage you to make an artistic piece that reflects your community, yourself or the person you interviewed. Choose to create whatever you like: take a photograph, write a poem, bake a cake, draw a picture- the sky's the limit! Why not make something for the senior you interviewed?
- Go to: changex2.typeform.com/timemachine to upload your finished interview sheet, your creative response & a selfie.
- Once you've finished everything and uploaded your project, return your permission slip, interview sheet and creative response to your Community Organiser!

Checklist

Tick everything off this list to complete your project!

- Permission slip signed by guardian
- Completed interview with a senior
- Created something inspired your conversation
- Took a selfie
- Uploaded your finished interview, creative project and selfie at: changex2.typeform.com/timemachine
- Returned project to Community Organiser

Thanks so much for joining in! Your final project will be exhibited on:
timemachine.neighbourhoodnetwork.ie
